FLOOR DEBATE

February 20, 2003 LB 381

page 566.)

SPEAKER BROMM: Senator Landis, are you handling the Redfield amendment?

SENATOR LANDIS: I am.

SPEAKER BROMM: Senator Landis is recognized to open on AM0406.

SENATOR LANDIS: Senator Redfield asked me to do this for her. She was off with another obligation this morning and she didn't want to lose her place on Select File. Her bill, LB 381, is one that sets the sales tax for car leases at the time the lease is delivered and then, throughout the life of the lease, that's the sales tax rate, rather than forcing people to reconfigure it in the middle of the lease should the rate change. The body seemed to agree with that and sent the bill from General File to Select File. The Revenue Department said if you're going to do that, have that be the same rule for the city sales tax, because the city sales tax will apply in Lincoln and Omaha; don't have it be two different rules, one where there's a state rule set at the time of the delivery of the lease, and then the city one being different than that. So this amendment says that the policy choice of LB 381 is also effective with respect to city sales tax in addition to state sales tax. I would ask for the adoption of AM0406 by Senator Redfield to LB 381.

SPEAKER BROMM: You've heard the opening. Any discussion on AM0406? Seeing none, Senator Landis, do you wish to close? Waives closing. The question before us then is the adoption of AM0406. Members, all in favor vote aye, and opposed vote nay. Please record.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of Senator Redfield's amendment.

SPEAKER BROMM: The amendment is adopted. Anything further on the bill, Mr. Clerk?

CLERK: I have nothing further on the bill, Mr. President.
